

Circleville City Schools offer free breakfast and lunch to all students

Over the past four years, students at Circleville Elementary School have been offered free breakfast and lunch. Through a program offered by the USDA called Community Eligibility Provision, the district qualified for the opportunity to expand the program for the 2016-17 school year and will offer free breakfast and lunch to ***all students at no cost***. At CMS and CHS there will be ala carte offerings that students can purchase, but the regular breakfast and lunch will be offered for free. At the beginning of the school year, parents are asked to complete an income form and return to the district. This form is only used to determine percentages to report for federal and state grant aid. If you have any further questions regarding the lunch program, please call Suzie Gerhardt at [740-477-5548](tel:740-477-5548) or email her at Suzie.Gerhardt@cvcasd.com
