  WHEREAS, School and University desire to enter into an agreement setting forth  
  certain principles of mutual collaboration that supplement and extend the Ohio Department  
  of Higher Education’s Articulation and Transfer Policy; and
WHEREAS, School and University desire to enter into an agreement setting forth certain principles of mutual collaboration that supplement and extend the Ohio Department of Higher Education’s Articulation and Transfer Policy; and

WHEREAS, assisting individuals in achieving their educational goals is a purpose both Parties share; and

WHEREAS, the Parties further desire to enter into an agreement to foster access and enhance educational participation;

NOW, THEREFORE, in consideration of the mutual agreements hereinafter set forth, and for other valuable consideration, the receipt and adequacy of which each Party hereby acknowledges, the Parties agree as follows:

1. TERM OF ENGAGEMENT; RENEWAL; TERMINATION.

1.1. Term of Engagement. The term of this Agreement shall begin on the 1st day of May 2020 and ending on the 30th day of April 2021 ("Term"). 1.2. Effective Date. Notwithstanding the Term provided in section 1.1 of this Agreement, the effective date of this Agreement is the date last signed by a party as indicated below the signatures at the end of this Agreement ("Effective Date"). The Parties agree that their promises and obligations under this agreement are binding as of the Effective Date, even if some duties to perform under this Agreement arise in the future during the Term.

1.3. Scope. This agreement applies only to Program courses administered at the School’s campus.

6. **RENUMERATION.**

NOW THEREFORE, the parties agree as follows:

I. Tuition & Student Fees

<tr>
<th>Delivery Model</th>
<th>Summer 2020</th>
</tr>
</thead>
<tbody>
<tr>
<td>A. High School, Delivery, High School Instructor</td>
<td>For courses at the High School taught by certificated High School instructors the tuition rate will be the result of the formula in statute. The current formula in statute is (formula amount X .83) / 30 X 25%, which is $41.64 for the 2020-2021 academic year. All required textbooks for courses will be funded by the School District. If the District wishes to utilize the Columbus State Bookstore in procuring and/or collecting textbooks, see Section II for College and District Responsibilities and Addendum A. The College will waive all course/lab fees.</td>

</tbody>
</table>

B. High School Delivery, College Instructor | For courses at the High School taught or facilitated by College instructors the tuition rate will be the result of the formula in statute. The current formula in statute is (formula amount X .83) / 30 X 50% or 50% of the College’s tuition rate, whichever is less. For the 2020-2021

16
academic year the rate will be $78.97 for the Summer 2020 semester and $81.47 for Autumn 2020 and Spring 2021 semesters.

All required textbooks for courses will be funded by the School District. If the District wishes to utilize the Columbus State Bookstore in procuring and/or collecting textbooks, see Section II for College and District Responsibilities and Addendum A. The College will waive all course/lab fees.

C. On Campus / On Line Delivery

For courses that meet on the College Campus or are provided partially or fully online, the tuition rate will be the lesser of the College's in-state rate as published on the College's website or the default ceiling rate in statute for each term of the 2020-2021 academic year. The College's in-state tuition rate will be $257.93 for the Summer 2020 semester and $1,629.91 for Autumn 2020 and Spring 2021 semesters.

All required textbooks will be funded by the School District. If the District wishes to utilize the Columbus State Bookstore in procuring and/or collecting textbooks, see Section II for College and District Responsibilities and Addendum A.

Please note that all leased space at Columbus State’s Regional Learning Centers, including space leased from a school district, are considered to be “On Campus.”

II. Responsibilities for Obtaining Textbooks through the Columbus State Bookstore:

A. THE COLLEGE SHALL:

1. Procure books for classes offered at a School District location per Procurement Guidelines (see Addendum A). The costs of the books are the responsibility of the School District. Columbus State will provide a 10% discount off new or used print books. The discount is not applicable on course materials in an eBook or Instant Access format because such book options are already deeply discounted. Shipping costs to procure books from the Publishers to Columbus State, shipments of books from Columbus State to the School District, mail order shipping costs for on-campus and online students, and delivery of books to the School District will no longer be paid for by Columbus State due to the $3M that Columbus State initially invested in textbooks and shipping on behalf of Districts has run out.

2. Establish an electronic book voucher for each student from the School District enrolled in online or on campus classes at Columbus State to obtain required books for College Credit Plus classes. This will be a convenient online order process for students during a specified time frame. The mail
order shipping costs for on-campus and online students will no longer be paid for by Columbus State due to the $1M that Columbus State initially invested in textbooks and shipping on behalf of Districts has run out.

3. Invoice the School District for books used by the students and applicable shipping charges.

4. Assist the School District with a book buyback for all books that are eligible for resale. The buyback amount will be based upon current value.

5. Provide general supplies listed as required on a course syllabus as necessary for College Credit Plus students enrolled in an online or on-campus class. Columbus State will review such requests for general supplies on a case-by-case basis and provide what is necessary to allow the student to be successful in the course. Supplies will continue to not be provided by Columbus State for classes offered at the school location.

6. Communicate deadlines to all School District contacts for scheduling College Credit Plus courses at high school locations.

B. THE SCHOOL DISTRICT SHALL:

1. Agree to utilize the student electronic book voucher process for College Credit Plus students enrolled in online or on-campus classes at Columbus State.

2. Accept full responsibility for the total payment of the book costs incurred by the students that are enrolled from your School District, as required by Ohio Revised Code 3365.07 (A)(1)(b). Payment must be made in full within thirty (30) days of the invoice date. If a School District is not in good standing and has an unpaid balance, the District will not be eligible to participate in Columbus State’s book process until the account is paid in full.

3. The books are the property of the School District. It is the responsibility of the School District to collect such books for classes offered at a school location at the end of each semester. The School District may elect for the Columbus State Bookstore to collect the books from College Credit Plus students enrolled in online or on-campus courses at the end of the semester. See Addendum A for details.

4. If the School District chooses to participate in the book buyback program for the books collected by the School District, it will be the School District’s responsibility to contact the Bookstore to request book buyback eligibility. The School District will submit a vendor registration form to the College to facilitate buyback. A School District that cannot conduct an in-person book return will be responsible for the shipping cost to send eligible books to the Columbus State Bookstore for buyback.

5. If the School District elects to have the Columbus State Bookstore collect the books at the end of the semester for online or on-campus classes, the
Bookstore will automatically process the buyback within 6-8 weeks after the last day of the semester. If there are any students that fail to return the books, the Bookstore will report this information to the School District. There will be a 10% buyback transaction fee for the book collection process. The 10% fee will be deducted from the total value of the buyback. The balance will be sent in the form of a check to the School District. To participate in this textbook buyback program please select this option below (Under section XI. Complete Nature of the MOU). See Addendum A for details.

6. Adhere to deadlines set by the College for scheduling College Credit Plus courses at high school locations. The following deadlines are established to ensure best possible outcomes for students:

- **Academic Planning Documents** submitted by April 1st
- **Days and Times** for classes requiring a CSCC teacher listed by April 30th
- **Confirmation of Academic Planning Document courses** by June 15th
- **Final last-minute class changes** submitted by August 14th for fall semester courses
- **Final last-minute class changes** submitted by November 15th for spring semester courses
- **Rosters for block registration** 10 days before the start of a new semester
  - August 17th for fall semester
  - January 8th for spring semester

Any registration and course activity not completed within this timeframe may result in students not being enrolled on-time for CSCC coursework. This impacts accessibility of classroom resources, staffing, student success, and Starfish reporting. Additions outside of these windows will be determined on a case-by-case basis. Courses taught by credentialed high school instructors may be added after the recommended deadlines.

**Note about Faculty Work Load:** Columbus State Community College Adjunct (part-time), ACF (annually contracted faculty), and full-time (tenure track) instructors have limits to the total number of hours in their workload. Adding or canceling a class directly impacts a CSCC employee's workload, whether this is a class taught by a CSCC instructor or a section that is facilitated by a high school employee with a CSCC instructor serving as the Instructor of Record. Columbus State Community College has at times incurred costs for changes after posted deadlines.
Ill. ADA/Students with Disabilities: We are committed to collaborative solutions with the Districts on behalf of student success. Because CCP students are college students, existing 504 and IEP plans do not automatically apply to college coursework. Please direct students to work with CSCC Disability Services to secure appropriate accommodations for a college class after enrollment/acceptance to Columbus State.

B. School District or College may terminate this agreement with 30 days written notice.

College Credit Plus Textbook Procurement Guidelines for FY21

Book Process for On-Site Classes at a School District Location

I. The CCCC College Credit Plus Curriculum Office will provide the Bookstore a list of courses to be offered at each School District.

II. A spreadsheet will be sent to the School District partner to include the adopted textbook information per course to include title, author, ISBN, publisher, and edition. The District partner will identify if they shall obtain textbooks from the College. The District will include the primary contact and drop to location for distribution of textbooks and identify the maximum estimated number of students by course offered at the Districts. If the District has book inventory that can be used for courses, the District will record these inventory quantities. This information will be sent to the Columbus State Bookstore at bookstore@ohio.edu by the designated dates listed below.

DEADLINE DATES TO SUBMIT ESTIMATED NUMBER OF STUDENTS BY COURSE

Autumn Semester 2020 – June 1, 2020
Spring Semester 2021 – November 2, 2020

III. The Columbus State Bookstore will process and procure all textbooks per the request from each District.

IV. A copy of the confirmed book shipment will be communicated to the districts by August 4, 2020 for Autumn Semester 2020 and by December 4, 2020 for Spring Semester 2021.

V. Autumn Semester 2020 books will be delivered to designated District locations August 10 – 14, 2020. Spring Semester 2020 books will be delivered December 7 – 11, 2020.
   a. This will allow approximately three (3) weeks for the District to process and distribute textbooks to all students enrolled in this program by the first day of classes.
   b. District will need to schedule staffing to receive the book shipments.
   c. A school representative needs to verify the order for accuracy confirming titles and quantities.
   d. Any shipment discrepancies should be communicated as soon as possible to the Columbus State Bookstore at bookstore@ohio.edu. The Bookstore will reconcile the discrepancy and correct the issue.

VI. If class sections are added late and there are not enough books to cover student enrollment for classes being taught at the District, it will be the District’s responsibility to contact the Bookstore to request additional books. Please contact the Columbus State Bookstore at bookstore@ohio.edu to request additional books.

VII. All required textbooks for courses will be funded by the School District. Columbus State will invoice the District for the books purchased, approximately the tenth week of each semester. The college will honor a 10% discount off the new and used print books. The discount is not
applicable on course materials in an eBook or Instant Access format because these book options are already deeply discounted. Shipping costs to procure books from the Publishers to Columbus State, shipments of books from Columbus State to the School District, and delivery of books to the School District will no longer be paid for by Columbus State due to the $3M that Columbus State initially invested in textbooks and shipping on behalf of the Districts has run out.

VIII. To maintain affordability, the School District should collect the books from students at the end of each semester for possible reuse. The School District may retain any or all of the Participants’ textbooks to Columbus State for consideration in the resale/buyback process. The College will calculate the amount each District will realize pursuant to textbook resale/buyback and will send a check to the District for that amount.

Book Process for On-Campus and Online Classes

I. Students enrolled in courses online or at the Columbus State’s Columbus Campus, Delaware Campus, or Regional Learning Centers (Summer Semester 2020, Autumn Semester 2020, and Spring Semester 2021) will receive an electronic book voucher to obtain books at the Columbus State Bookstore in person at 283 Cleveland Avenue or online at bookstore.cscc.edu. The mail order shipping costs for online orders is the responsibility of the School District.

II. Columbus State will invoice the School District for books and all applicable shipping costs for students enrolled in these classes from your School District. The Columbus State Bookstore will honor the same pricing model as described in VII. Invoicing for participants enrolled in either start or end-term courses may take place in the following semester.

III. Participants (students) who obtain their textbooks from the College Bookstore for online and on-campus classes will return these textbooks to the School District. The School District may elect to have the Columbus State Bookstore collect the books for online and on-campus classes per the CC + School District Book Process MOU. There will be a 10% transaction fee for the book collection process. The 10% fee will be deducted from the total value of the buyback. The balance will be sent in the form of a check to the School District.

IV. The Textbook Procurement Guidelines represent an understanding between the Districts and Columbus State Community College.

If you need assistance with the book process or have questions please send an email to exlibris@cscc.edu or contact Phil Sanders, Bookstore Assistant Director, at 614-287-5127 or Stacey Maloney, Bookstore Director, at 614-287-5128.

It is the intention of the parties that, if any provision of this Agreement is susceptible of two or more constructions, one which would render the provision enforceable and the other or others of which would render the provision unenforceable, then the provision shall have the meaning that renders it enforceable.
