On a motion by Mr. Reeser, seconded by Mrs. Davis, the Board approved the enclosed RESOLUTION declaring urgent necessity and approving a contract for the elementary school shingle roof replacement, as presented.
DECLARING URGENT NECESSITY, WAIVING COMPETITIVE BIDDING, AND APPROVING A CONTRACT FOR THE ELEMENTARY SCHOOL SHINGLE ROOF REPLACEMENT PROJECT

The Superintendent and Treasurer recommend that the Board declare an urgent necessity, waive competitive bidding, and approve an agreement with Phinney Industrial Roofing ("Phinney") for the replacement of the shingle roofing at the Circleville Elementary School (the "Project").

Rationale:

1. The District has identified a need to replace the shingle roofing at the Circleville Elementary School.

2. Mays Consulting & Evaluation Services, Inc. ("Mays") performed an investigation of the shingle roofing areas at the Circleville Elementary School. Mays' investigation revealed that a number of shingles were poorly sealed and improperly fastened, which could result in shingles blowing off the roof. Due to the safety concerns with shingles blowing off the roof, the shingle roofing needs to be replaced as soon as possible. This situation presents an urgent necessity and a basis for waiving competitive bidding.

3. Phinney is an experienced roofing contractor and has provided a proposal for the replacement of the shingle roofing at the Circleville Elementary School in the amount of $173,099.92. The pricing provided by Phinney is consistent with pricing provided by National Roofing Partners, to whom Phinney is a local partner, to the Omnia National Purchasing Cooperative under Omnia Contract Number R230402, and, as a result, District administration believes it is appropriately competitive.

4. Based on the urgent need to quickly replace the shingle roofing at the Circleville Elementary School due to safety concerns, the Superintendent and Treasurer recommend waiving competitive bidding based on the urgent necessity exception in Ohio Revised Code Section 3313.46, and request authority to negotiate an agreement with Phinney for the Project and to execute the agreement and any associated documents at the satisfactory conclusion of negotiations in an amount not to exceed $173,099.92.

5. The Superintendent and the Treasurer also request authority to enter into change orders for the Project in a total amount not to exceed 10% of the Contract Sum. Change Orders in excess of that amount, individually or in the aggregate, will be brought to the Board for its consideration.

The Board of Education resolves as follows:

1. Based upon the information provided and exercising the authority given in ORC 3313.46, the Board declares an urgent necessity and waives competitive bidding in order to move forward with the Project.

2. The Board authorizes the Superintendent and the Treasurer to work with other administrators and legal counsel to negotiate an agreement with Phinney for the Project, and to execute the agreement and associated documents at the satisfactory conclusion of negotiations in an amount not to exceed $173,099.92 on behalf of the Board.

3. The Board further authorizes the Superintendent and Treasurer to sign change orders for the Project in a total amount not to exceed 10% of the Contract Sum; should a change order exceed this amount individually or in the aggregate of change orders for the Project, the change order will be brought to the Board for approval prior to the work associated with the change order being performed.
