

Superintendent's Corner

Kirk McMahon
Superintendent

August 24, 2013

On Monday, August 26, we will welcome 164 kindergarten students in the class of 2026 to Atwater Elementary. Each year our kindergarten staff schedules time before the school year begins to assess and screen the students and meet their families. I am pleased that we were able to meet with over 90% of our students and their families before the first day of kindergarten. The time spent prior to entering school for the first time alleviates the anxieties many students and their parents may have about school. I look forward to greeting all of the students in the class of 2026!

This past Monday was a bittersweet day for many of us who work in the Circleville City Schools and for those proud graduates of the current CHS. It was our last, first day of school for the current CHS. I have fond memories of teaching and coaching in CHS as do many of our staff members. My career began in Room 301, currently Mr. Luke McConnell's room, in August of 1985. Boy, how time flies when you are having fun!

I would like to thank the pastor and church board of the Nicholas Drive Church of God for allowing the staff of Nicholas Elementary to use their parking lot during our construction. We always try to be good neighbors in all of our neighborhoods and appreciate their reciprocity.

As always, if you have any questions on any district issues, please give me a call.

Go Tigers!
