

Superintendent's Corner

Kirk McMahon
Superintendent

August 3, 2013

Hopefully the Dog Days of Summer are gone and will continue to stay away for the opening of this school year. Speaking of the Dog Days, why not come out to CHS today at 9:00 am and support the 200+ runners (joggers) who will compete in the annual Dog Days 5K sponsored by the Circleville High School Cross Country team. The event draws runners from all over central Ohio as well as, many members of area high school cross country teams.

I would like to offer my best wishes to all of our fall sport athletes at Everts MS and CHS who begin tryouts and practice on Monday. Our 7th grade student/athletes will truly begin to feel like Circleville athletes as they proudly don their official "TIGERS" jerseys. Good luck to all our athletes and coaches this fall!

As always, if you have any questions on any district issues, please give me a call.

Go Tigers!
