I would like to thank our neighbors and partners, Pickaway Manor, for their generous "Buns on the Run" breakfast this past Wednesday morning. Amanda Meeks, Executive Director and Nancy Cunningham, Director of Admission and Marketing at Pickaway Manor provided coffee, cinnamon rolls and a "Tiger" travel mug for the Bus Drivers, CHS, Nicholas and District Office staffs. Although the weather was not very cooperative, the Pickaway Manor staff braved the rainy and windy weather to provide our employees with a welcome treat. A huge thank you goes out to our friendly neighbors at the Pickaway Manor!

I attended Governor Kasich's school funding address to Ohio public school superintendent's on Thursday. His first statement regarding the method, in which schools will be funded when the biennial budget is approved, was "they have removed politics from the equation and each district would be fully funded." After that announcement, he definitely had the attention of all of us in the room. The final details of the plan, "**Achievement Everywhere: Common Sense for Ohio's Classrooms**", will be unveiled later this month. Although we have not yet seen our district's funding calculations, we now are very eager to learn the method of funding and begin planning for the future for our students.

As always, if you have questions on any district issues, please give me a call.

***Go Tigers!***
