

Superintendent's Corner

Kirk McMahon
Superintendent

February 9, 2013

Congratulations to Coach Tim Geiger, CHS Head Wrestling Coach, and the Tiger Wrestlers for finishing as Regional Runners-up in the State Dual competition. Our team hosted the Athens Bulldogs this past Wednesday evening. I want to wish our wrestlers good luck as they enter individual district competition in two weeks.

Beginning February 11, 2013, the City of Circleville will be posting "No Parking" signs along Clark Drive between Maumee Drive and Pickaway Manor in anticipation of their upcoming construction project. In the interest of public safety, this parking restriction will be strictly enforced. At the conclusion of the construction activities, anticipated sometime in 2015, the city will reassess the restriction.

Circleville High School athletics is now on Twitter **@CHSTigerSports**. We will tweet up-to-date sports scores, highlights and game cancellations. Please follow us if you already have Twitter, if not you can still look and check for updates online at <https://twitter.com/chstigersports>.

As always, if you have questions on any district issues, please give me a call.

Go Tigers!
