Circleville City School District will provide notification to PART when a student no longer requires transportation.

PART, as a public transit system, is required to place any trip of the general public on the vehicle with the children at any time without prior notice.

This contract is in effect for the period of August 17, 2017, to June 30, 2018. PART will provide transportation from each student's home address to the school building designated and return the student home at the end of the day.

If the student's home district is closed for the day, weather related, transportation will not be provided. Also, if the home school is open, but the buses aren't running on the student's road, PART will not pick up that student. The final decision whether to travel any road is at PART's discretion.

If PART goes to a student's home or the school to pick them up and has not been notified the student is not riding, the school will be billed for that trip. It will be listed on the school's billing calendar as a "Dry Run".

Upon receipt of documentation of the number of trips each month, Circleville City School District will reimburse PART at the cost of $2.48 per mile.

PART agrees to provide Circleville City School District with evidence of the following: a) the driver holds a current Commercial Driver's License, as required; b) all drivers are trained in defensive driving, CPR, first aid, alcohol awareness, passenger assistance and safety procedures in the event of an accident; c) vehicle is currently insured.
