

## **Superintendent's Corner**

The Circleville Noon Rotary Club, of which I am a member, hosted four students from the Circleville City Schools this past Thursday. Kelsey Blackman and Christian Acosta represented CHS and told those of us in attendance about their future plans. Damian Garner and Jordan Rhymer (see inset photos) are 3<sup>rd</sup> grade students at Nicholas Elementary and were on hand to thank the Rotarians for their generous gift. Annually, our local Noon Rotary Club presents all Pickaway County 3<sup>rd</sup> grade students with their very own dictionary. Jordan and Damian presented thank you letters from all of our 3<sup>rd</sup> grade students to Committee Chairman Bob Sneed.

I want you to know that we take student safety very seriously. In the next several weeks we are making changes to our current school entrances and visitor procedures at all buildings. In the future, as you visit our schools, you will notice these changes. Each school is unique; therefore, I will not attempt to place all of these procedures in this Corner. We would appreciate your continued cooperation in helping us keep students safe at school.

As always, if you have questions on any district issues, please give me a call.

***Go Tigers!***
