

Superintendent's Corner

Kirk McMahon
Superintendent

June 29, 2013

Last weekend marked the conclusion of the Pickaway County Fair. I would like to congratulate all of our students who participated in 4-H competitions during the fair. I am very proud of our young men and women who showed the initiative to develop their leadership abilities outside of the normal school day. I know the value in their sense of accomplishment on a local level. And, I wish all local winners the best of luck as they advance to state-level competition later this summer.

Please be advised that the following schools' offices will be closed beginning July 1st and will not re-open until Monday, August 5th: Atwater, Court Street, Nicholas and Everts Middle School. Circleville High School will remain open until July 8th and will then close through August 5th. If you are in need of information from CHS during the closure, please call the District Office at 474-4340.

Please join me next week in thanking a member of the military who put their life on the line each day to defend our freedom. It is this holiday that we should celebrate being an American and all of the freedoms that we enjoy. Happy 4th of July!

As always, if you have any questions on any district issues, please give me a call.

Go Tigers!
