

# Superintendent's Corner

Kirk McMahon  
Superintendent

March 30, 2013

On Wednesday evening I attended the annual Head Start Pre-School Art Show. I was impressed with the different art media used in the various projects. I want to commend our teachers who work with these children and their parents on a daily basis. Our staff members include Carol Sheets, Debra Seymour, Sara Hammond and Whitney Yates. We appreciate these ladies for the skills they are teaching these future Circleville Tigers! I know the students graduating from our Pre-School programs will be successful kindergarten students and continue to thrive as they progress through the Circleville City Schools.

If you plan to travel over this Spring Break weekend, drive safely! All of our schools will reopen at the regular time on Wednesday, April 3<sup>rd</sup>.

As always, if you have questions on any district issues, please give

me a call

***Go Tigers!***
