

Superintendent's Corner

Kirk McMahon
Superintendent

May 25, 2013

This has been a very busy week for graduation ceremonies. On Wednesday we awarded 169 members of the class of 2020 (5th grade) their elementary graduation certificates. I would like to thank the staff at Crossroads for hosting the ceremony. On Thursday evening, the Circleville High School students who attend the Pickaway Ross Career and Technical Center (PRCTC) were awarded their completion certificates and career passports at a ceremony held at Ohio Christian University. I am pleased to announce and congratulate our very own Nate Hoselton for earning the distinction of the PRCTC's Student of the Year. Nate is now a graduate of the Criminal Investigation and Police Science Program and plans to attend Ohio University in the fall to major in Psychology. Congratulations Nate!

Yesterday we recognized 160 members of the class of 2025 as Kindergarten graduates. I am always happy to see the look on their faces when they receive their "official" diploma. I can hardly wait for their high school graduation in 12 years!

Tomorrow we will join many families and friends to celebrate the graduation of 143 graduates in the class of 2013. I would like to congratulate Max Knece, class of 2013 valedictorian and Jan Miedema, salutatorian on their respective honors. Max plans to attend Capital University in the fall and Jan will attend The Ohio State University. I would like to thank the staff at Ohio Christian University for hosting our graduation ceremonies the past five years.

And, finally, I would like to end on a personal note. My mom, Marie McMahon, is celebrating her 90th birthday on Monday, May 27th. I can only hope that I am still alive and kicking when I am 90!

As always, if you have any questions on any district issues, please give me a call.

Go Tigers!
