

Superintendent's Corner

Kirk McMahon
Superintendent

May 4, 2013

Next week is National Teacher Appreciation Week. The Board of Education and I will formally recognize all of the teaching staff at the May 8th regular board of education meeting with a special resolution just for them. As I always encourage our staff to remember and thank one of their own teachers, I encourage you to think back on your formal schooling and reach out to thank that special teacher who inspired you in your life. May 8th also marks School Nurse Appreciation Day. I would like to recognize Mrs. Karen Borland, School Nurse for her many years of service to the students and families of the CCS.

Yesterday over 150 students from all four county schools “pitched in” and gave their time to the community during the annual “Student Give Back Day” sponsored by our local United Way. The day began with an inspirational address by our very own Heath Hinton, CHS Head Football Coach. He spoke to the students about what it means to take care of your community. The students were spread across the county at various sites to help people and agencies in need. I want to thank all of our student and community volunteers who made this day very successful.

As always, if you have questions on any district issues, please give me a call.

Go Tigers!
