

# Superintendent's Corner

Kirk McMahon  
Superintendent

November 30, 2013

I would like to commend our elementary teaching staff this week. I recently walked through numerous elementary classrooms and witnessed great things happening in those classrooms. Very rarely did I see teachers standing in front of the classroom lecturing to the students. The learning was very hands-on as students were actively engaged in their own learning. Many students were reading to one another, completing math problems with partners, or working on computers. For the students who required a little extra boost, the teacher worked with them in small groups reinforcing the lesson. Thanks teachers!

Our boys' basketball team began the season under first-year head coach Joe Goodyear last night against the Adena warriors (*see Sports section of The Herald for results*). Be sure to mark your calendar for Saturday, December 28<sup>th</sup> so you can attend the last basketball game to be played in the current CHS gymnasium. The first of five games vs. the Westfall Mustangs begins at 1:00 pm.

All of our schools and offices will be closed through Monday, December 2<sup>nd</sup> in observance of Thanksgiving. We will return to our regular schedule on Tuesday, December 3<sup>rd</sup>.

As always, if you have any questions on any district issues, please give me a call.

***Go Bucks and Go Tigers!***
