We held a very eventful board of education meeting this past Wednesday evening. We recognized and hosted several students and local dignitaries. The first honoree was Pickaway County Sheriff Deputy Dale Thomas for recently being named Ohio's DARE Officer of the Year. We are very fortunate to have Officer Thomas instructing and encouraging our students at Court Street Intermediate to remain drug and alcohol free.

Mr. Chris Thornsley, principal at CHS, introduced four of our five foreign exchange students (one student was absent) to the board of education. We are very excited to have the following young ladies visiting and studying alongside our "homegrown" CHS students: Tessa Ekelund, Sweden (absent from the meeting); Greta Kruse, Germany; Kateryna Shevchuk, Ukraine; Natchita Wanicharenchai "Mind", Thailand; and Jessica Wennekes, Netherlands

The Mayor of Circleville, Don McIlroy, offered the final presentation. Mr. McIlroy presented his and the City Council's Economic Development vision for our community. City Councilman Tom Spring and City Services Director John Ankrom joined Mayor McIlroy for the presentation and offered their input and support for the future of our community. The board members and I would like to thank the mayor and his representatives for their time and important information.

As always, if you have any questions on any district issues, please give me a call.
