

Superintendent's Corner

Kirk McMahon
Superintendent

September 21, 2013

This past Thursday night our CHS Girls soccer team hosted county rival Teays Valley in a **“Kick for the Cure”** game with all proceeds going to a local cancer survivor and her family. The recipient is a long-time Circleville resident whose children attend Circleville City Schools. We also honored former TV soccer coach and founder of TV soccer, Mike Sowers, who retired last year and is recovering from cancer. I want to thank everyone for attending and donating to such a worthy cause.

I want to congratulate Jenna Liston, junior at CHS, and Katie Galloway, 7th grader at Everts Middle School, two of our girls cross country athletes, for winning the Pickaway County Cross Country individual championship in their respective divisions.

As always, if you have any questions on any district issues, please give me a call.

Go Tigers!
